Lifestyle of Prayer

Lord God, I come before You asking that You cause my future husband to develop a lifestyle of prayer. Cultivate a heart of submission and trust within him that draws him closer and closer to You daily. Teach him how to seek first You, Your kingdom and Your righteousness and how to desire Your will in his life no matter what. Make Yourself real to him Heavenly Father, so that he can know You in an intimate way, relationally.

Elevate his prayers beyond the surface level and let his words be spirit-filled utterances destined to bring forth manifested evidence in this earth. God Most High, bless my husband with great faith and the ability to believe that absolutely nothing is too hard for You. Continue to break up any fallow ground in his heart and mind that would cause him to doubt Your power and willingness to answers his prayers.

I affirm that he will pray at all times without ceasing, offering prayers and supplications in the Spirit for all men. He will be standing watch for all his brethren laboring in the kingdom of God.

I declare that my future husband will dare to believe Your word and stand firm on Your promises, fully persuaded that whatever he asks in prayer believing he shall receive. He shall speak to every mountain in his life and command it to move out of his way, and When faced with troubles and valley experiences, he will lift his eyes in faith, patiently knowing that You see him and will deliver him in due time. During every victory he will humbly give You all the glory, honor and praise.

Abba, impart to my husband a spirit of gratitude, praise and worship. Cause him to walk worthy before You in holiness and truth, creating an atmosphere of pure delight and joy when he comes into Your presence daily. Father, he shall make You smile and cause the heavenly host to break forth upon the earth to grant his requests speedily. I affirm that his prayer life will impact and inspire all those around him to know, understand, believe and see Your glory manifested in their lives too. Heavenly Father, I thank You now for hearing and answering my prayer for my future husband. Amen.

Positive Self-Image

Father, I would like to ask You to forgive my future husband for dishonoring You by thinking, speaking, feeling and seeing himself through the lenses of self-hatred. I am sure that he regrets sabotaging blessings and opportunities You prepared for him, because he was focused on comparing himself with others. Forgive him for wishing he were smarter, taller, richer or a different complexion. Forgive him Father for being unable to see value in his uniqueness and enable him to behold the greatness that You placed within him.

Abba, renew my husband's perception of himself and bless him to comprehend all the love that You put into creating every aspect of his being. Let him understand that nothing was an accident or left to chance. Every dimension of him was calculated and measured to perfect precision. Then cause the Holy Spirit to wash over him and remove from his memory any negative self-image, hateful thoughts or offensive words spoken by him or others with the demonic intent of supplanting the truth.

Positive Self-Image

I thank You God that my husband will have a positive self-image and genuine love for himself. I declare that he will proclaim to You Lord from his heart and not just his lips that, *"I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well"* (Psalms 139:14 NIV). Amen.

Overcoming the Spirit of Anger

Father God, I know that there are many things that happened to us in our childhood that we had no control over. Some of those events impacted our lives adversely and resulted in us carrying around pain that has driven us to hurt others and ourselves. Your desired image of us has been greatly marred, but You can restore us.

Yes, hurt, disappointment and loss have caused anger, rage and violence to erupt from our thoughts, words and actions against others and ourselves. Father, please forgive my future husband for allowing the spirit of anger to cause him to hurt himself and others. Give the person(s) that he has injured the heart of forgiveness and grant my husband self-forgiveness and peace. God, let him know that You see all of his struggles and want everything he has battled with to bring forth the best in him and not the worst.

Help him God not to be angry with You and falsely accuse You for his past and any long-term consequences his behavior has caused him to suffer. Heal and deliver my husband from the spirit of anger and give him peace knowing that You have forgiven him and love him no less. Amen.

Breaking Soul Ties

Heavenly Father, I come into Your court asking that every adversary that has kept my future husband confused, bound, blocked or hindered in any way due to soul ties to ex-girlfriends, lovers or any sexual partners be broken. I stand in the gap and renounce any legal access that the enemy has to my future husband's life due to soul ties.

In Your name and by the power of Your word, Lord God every bond has been severed and all connections put to death by the fire of Your wrath. I declare that every thought, memory, dream, song, movie, place, time, gift or object that stirs my future husband's emotions, sexually arouses and tempts him to look backward has been totally annihilated by the East wind of heaven.

Cleanse his heart and mind of any perverse acts and forgive him for partaking willfully or ignorantly. I send the power of the Holy Spirit into his soul and thank You for liberating him and realigning the way he feels and thinks about sex and intimacy with

Your word. Forgive him for his part in breaking and damaging other women, causing their thoughts and attitudes towards men, relationships and marriage to be perverted. Cause my future husband to build and strengthen broken women crossing his path, promoting healing and recovery. I praise you Father for directing his steps in all future relationships and causing them to be fruitful and virtuous connections enabling him to learn and grow in preparation for our marriage. Amen.

Godly Character and Integrity

Lord God, You desire that we each represent You in a praiseworthy manner. That means exhibiting mental and moral qualities that are authentic, distinctive, and unique, yet mirroring your nature and characteristics bodily. Father, please let these qualities rest upon my future husband.

Cause my future husband to have strong moral principles such as honesty, uprightness and purity. Bless him to be uncompromising and dependable. I declare he will be a bright, shining light of goodness and truth illuminating and elevating everyone and everything he interacts with.

I affirm that he will think and speak honorably of all mankind whenever possible. God, may his attitude about women and their role in Your plans not be negative and devalued, but balanced and in perfect alignment with Your word.

Godly Character and Integrity

Father God, please cover my husband and keep him from being misguided or influenced by others who lack spiritual insight, maturity and integrity. Order his steps in Thy word and let not iniquity have dominion over him (*Psalm 119:133*). Amen.

Spirit of Leadership

Heavenly Father, let the spirit of leadership dwell fully upon my future husband. Reconnect him to the leadership mindset and attitude that You placed inside of him originally. Cause him to rise up and exercise dominion in the area of influence that You have placed him in to initiate, implement and inspire others.

Lord, please let my future husband have a genuine love for people and serve them with meekness and humility. Let him acknowledge and give honor and credit when due and always strive to encourage and assist others without pride, strife and jealousy. Father, help him to guard against crushing the spirit and visions of others, as a result of him being shortsighted and overly critical.

Place a spirit of discipleship upon him that motives him to be a person that is continuing to learn and read more, discovering new and innovative ways to stir up his gifts and talents. Cause him to draw out the best in those he is called to lead by being an example of exemplary leadership and by rightly prioritizing, planning, networking and successfully executing his plans.

Spirit of Leadership

Lord, You need great leaders on this earth to activate Your kingdom plans. So I humbly ask that You let my future husband be one of the few who are called and chosen for greatness in Your kingdom. Thank You for hearing and answering my prayers. May the words of my mouth and meditation of my heart in this matter of bestowing a spirit of leadership upon my future husband be acceptable to You Sovereign Lord. Amen.

Our Kingdom Purpose and Union Together

God Most High, I thank You for speaking me and my future husband into existence and designing us for a specific purpose on this earth. You made us whole and complete, lacking nothing. Let Your indwelling Holy Spirit direct us and may every decision we make to fulfill Your desired will for our lives prosper.

Father, let us work together supporting and strengthening one another, striving to always complement and never compete. Let all that we do to bring Your kingdom upon this earth be driven by a pure motive to lift You up and not ourselves.

Lord, teach us how to serve You, one another and Your people with love, honor, respect and humility. Forever enhance our skills and talents by imparting a spirit of excellence and wisdom upon us. May our minds be free to imagine and create crafty and inventive ideas that will cause our products and services to be desired by great ones from every nation.

Abba, let us always remember You, obey Your laws and acknowledge that our power to build Your kingdom, gain great

wealth and create a legacy and inheritance for our future generations is sealed in Your covenant with us, as promised in Your Word. Father, we thank You now for pouring down all the best You have for us in the land of the living and blessing us to live long, fulfilled lives together. I praise You that when we depart this earth at Your divinely appointed time, may every assignment given to us be well finished and may You be pleased with our works. Amen.
